Pre-race bulletin Nr 2

REGATTA BERTHING

Cruiser Classes 0, 1, 2, 3 and Dayboat Class 4

Persons-in-Charge are advised that Jersey Marinas is, very kindly, providing complimentary holding from Wednesday to Sunday (inclusive). They reserve the option to specify closer to the time whether holding will be provided on the Albert Pontoon or in La Collette yacht basin. For example if the weather is fine, there will be a high demand from local mooring holders to access the limited holding space at La Collette but with reduced visitor traffic the fleet will be accommodated easier on Albert Pontoon.

In the case of La Collette, vessels under 8m should berth on the eastern side of pontoon D with vessels over 8m on the western side.
