22. RISK STATEMENT - RRS 3 states: 'The responsibility for a boat's decision to participate in a race or to continue to race is hers alone.' By participating in this event each competitor agrees and acknowledges that sailing is a potentially dangerous activity with inherent risks. These risks include strong winds and rough seas, sudden changes in weather, failure of equipment, boat handling errors, poor seamanship by other boats, loss of balance on an unstable platform and fatigue resulting in increased risk of injury. Inherent in the sport of sailing is the risk of permanent, catastrophic injury or death by drowning, trauma, hypothermia or other causes.

By taking part in the event, each competitor agrees and acknowledges that:

- 22.1. They are aware of the inherent element of risk involved in the sport and accept responsibility for the exposure of themselves, their crew and their boat to such inherent risk whilst taking part in the event;
- 22.2. They are responsible for the safety of themselves, their crew, their boat and their other property whether afloat or ashore;
- 22.3. They accept responsibility for any injury, damage or loss to the extent caused by their own actions or omissions;
- 22.4. Their boat is in good order, equipped to sail in the event and they are fit to participate;
- 22.5. It is their responsibility to familiarise themselves with any risks specific to this venue or this event drawn to their attention in any rules and information produced for the venue or event and to attend any safety briefing held for the event. **Persons-in-Charge shall ensure that they are familiar with and conform to the Government's Covid-19 Guidelines of the day;**
- 22.6. The provision of a race management team, patrol boats and other officials and volunteers by the event organiser does not relieve them of their own responsibilities.

23. INSPECTIONS - The fact that race officials may conduct inspections of a boat does not reduce the responsibilities of each competitor set out in these Sailing Instructions.

24. INSURANCE - Each participating boat shall be insured with current third party liability insurance with a minimum cover of £3,000,000 (three million pounds sterling or the equivalent in euros) per incident; this insurance shall include racing cover.
